Dedicated To

Mr. Joseph Miller

Assistant Professor Of Speech

Few men have the ability to mix classroom objectivity with true friendship and concern. Joseph Miller has this quality. He conducts his classes professionally. He maintains an open door policy for consultation and advice. He is deeply concerned with the well-being of the John Carroll community. He has successfully mixed the wisdom of age with the drive and desire of youth. We are honored to dedicate this eighty-fifth edition of the Carillon to such a remarkable man.

Eighty-Five Years

John Carroll University was opened on September 6, 1886 as Saint Ignatius College. Construction started on the present campus in the twenties and was completed in 1935. It was through the generosity of 5,609 patrons, who contributed \$2,541,382., that the dream of Fr. Thomas Smith, S.J. became a reality. Since that time, John Carroll has continued to grow both physically and in quality of education. Today, eighty-five years later, John Carroll is faced with the same human and financial problems that all of us must face. The drive and determination that was present in 1886 is still present and will continue to make John Carroll a successful tower of higher education and personal development.

Football

After winning the PAC in 1969 it was hoped that the Blue Streak grid squad could repeat their previous year's performance and capture a second PAC championship. The season proved to be a disappointing one as the Streaks finished with a 2-5-1 record.

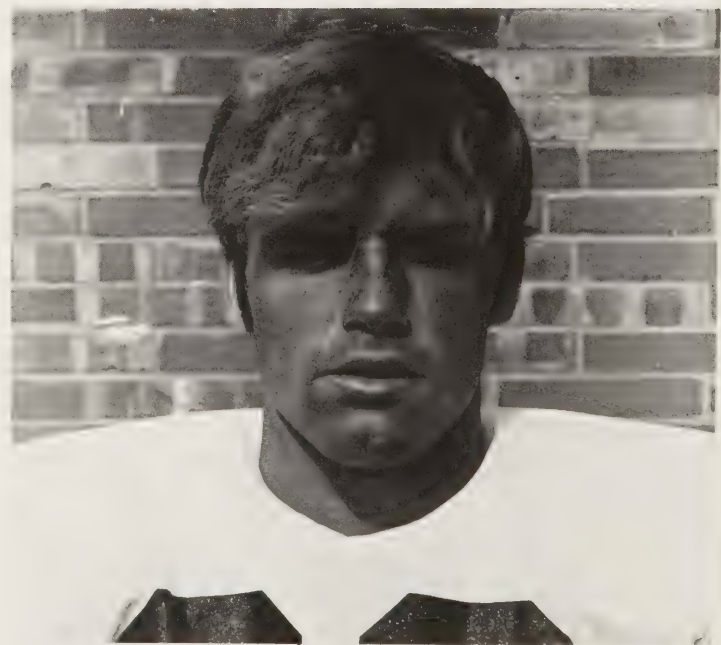

Even a losing season has its bright spots and this season was no exception. The 1970 Homecoming game saw Carroll defeat Thiel College 36-30 in a classic come from behind battle.

Basketball

This year a Junior cager, Jim Peters, became the second highest scorer in Carroll's history. Peters surpassed the 1000 point mark with two games remaining in the season. For the third time in his college career "Pickles" was named to the All-PAC squad and will return next year to complete what has already been an outstanding career..

Wrestling

The coming of the 1970-71 school year brought with it the seventh and most successful season in the history of the JCU Wrestling Team. Coach Tony DeCarlo's grapplers finished with a season record of 8-2 in dual meets, and two first places and one second place in tournament action.

Team efforts proved to be outstanding throughout the year as the matmen downed one opponent after another. Carroll took a first place in the "Carroll Quad" by defeating Cleveland State, Buffalo, and Akron. They finished second in the N.C.I.T. behind St. John's of Minn. but in front of Notre Dame.

The season held many highlights for the young team, one of them being a brilliant 21-14 victory over Mid-America Conference powerhouse, Kent State. Other bright spots were an unprecedented fifth consecutive PAC championship and an extension of the conference winning streak to 27 straight dual meets. The team also finished in 16th place in the small college division of the NCAA Tournament this year with Tom Corbo and Larry Dulay both earning All-American status.

The grapplers finished second behind St. John's College before a packed house in the second annual NCIT Tournament.

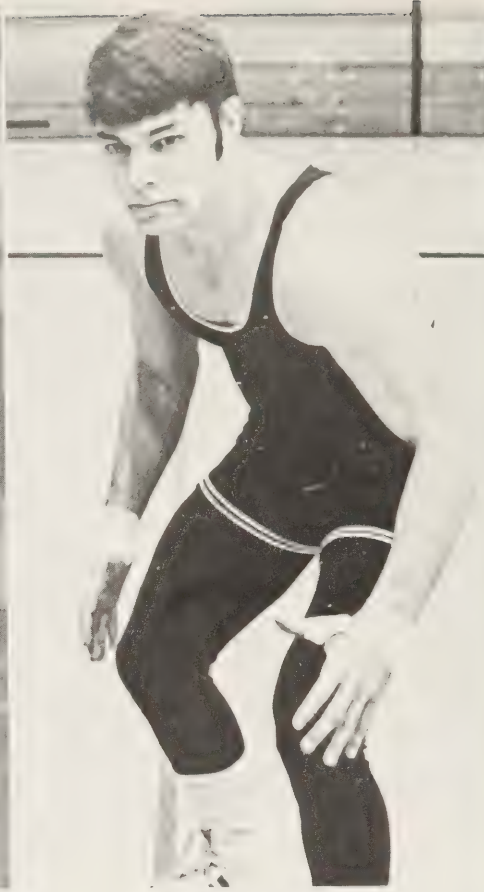

Individual winners for JCU were Dan Weir (142), Kerry Volkmann (167), and Tom Corbo (177). Volkmann won his title in the most dramatic match of his career by pinning Rick Torsell in 1:38 of the first period. Torsell had won 62 straight dual matches before meeting Kerry.

Rugby

Although Rugby is not a Varsity sport it was felt that something should be included in this section. The Ruggers work hard and consistently turn out a fine squad. It is hoped that eventually this team will be recognized by the University as a Varsity squad.

Cheerleaders

The 1970 John Carroll Cheerleading Squad continually exemplified the enthusiasm that we would hope to see from all Carroll students. Win or lose the Cheerleaders were always there to lend their support to the various teams.

Intramurals

Intramurals has become an ever-growing part of University Life. The program begins early in the Fall with football and runs almost continually until Spring.

This year the football crown was won by the University Club who managed to sustain only one loss and that against a powerful team from Delta Alpha Theta.

Basketball went to a previously unknown independent team, the "Original Dolan Gorillas," who proved to be too rough for any of the organizational teams. The intramural track championship also went to an independent team, the Chicago Club.

This year a single elimination baseball tournament was grabbed by a seemingly unbeatable Delta Alpha Theta squad who really didn't face a worthy enough opponent.

In the individual events Keenen and Malone won in doubles handball, Keenen in singles handball, Dizenzo and Larkin in doubles paddleball, Roach in singles paddleball, and Selek in the ping pong tournament.

The 1971 Carillon

Daniel E. Boyle — Editor-in-Chief

This has been a trying year for the Carillon. We began publication late in the season. The 1970 Carillon did not arrive until April, 1971. Financial problems plagued us. The 1970 issue was at one time deemed the last issue of the Carillon publication. Another tradition almost died. But that did not stop us. Through the incomparable efforts of Jack Thompson and his staff, we are back in publication. When all has been completed, the 1971 Carillon might likely establish a record. We hope that this issue will be the first year-book to establish or stage a "sell-out" in at least a decade. The members of the staff have worked diligently in their effort to prepare a quality publication. Time will tell if we have succeeded. As we submit to you the pictorial record of 1971 at John Carroll it is our fervent hope that the work of the Society of Jesus, the lay faculty, staff, students, board of directors and friends of the University will some day publish the centennial issue of the Carillon. Finally we thank our friends who guided us through the long dark days.

A Bag Of Tools

Isn't it strange
That princes and kings,
And clowns that caper
In sawdust rings,
And common people
Like you and me
Are builders for eternity?

Each is given a bag of tools,
A shapeless mass,
A book of rules;
And each must make -
Ere life has flown -
A stumbling block
Or a stepping stone.

- R. L. SHARPE
